Mike's Challenge —

Mike continued his sermon series Characters of Christmas by focusing on Mary & Joseph. He reminded us again that no matter where we are spiritually, Christmas is good news for us. He focused on the fact that Mary & Joseph were young and poor. He then challenged us on lessons we can learn from these facts about Mary & Joseph: devotion is about obedience; obedience requires sacrifice; have faith that Jesus will come through. **This week, as we again assessed ourselves spiritually, did we reflect on our devotion & obedience?? Did we exhibit the faith that Jesus will come through???**

With Deepest Sympathy

~Clifford Petrey Family

17th Street would like to express sympathy to the following in our church family. Glenda Petrey and family upon the passing of Clifford this past week. Please remember Glenda and her family in prayer during the Christmas season.

We pray for peace and comfort for their family.

Love Offering

Thank you to all who donated to the Love Offering that was used to bless the community.

We had \$1,200 given, and we were able to shower blessings upon many people this Christmas season!!

Dear Friends at 17th Street Christian Church,

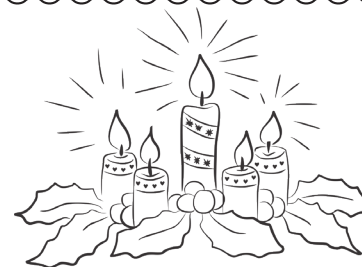

Over the years you have given over \$50,000 to Cookson Hills! This means you have fully supported a child, like Nate, all the way from 6th grade to 12th grade.

Nate came to Cookson Hills in 6th grade because the adults in his life could not care for him. Due to his circumstances, he knows that he will be at Cookson Hills until he graduates high school. You are giving him a loving home with a mom and a dad, a safe place to lay his head every night, nutritious food every day, and the opportunity to get an excellent education at a private Christian school. He is learning teamwork in sports and attending therapy to help him deal with the hurts that life brings. You are changing Nate's life.

Thank you for giving so that kids like Nate have the opportunity to write a better story for their life and positively impact future generations.

Thank you so much!

Lauren Hard, Impact Coordinator
